

2018 Eco-Grip Installation Training Information

Dear Installer:

Thank you for your interest in participating in an installation training class for Eco-Grip Commercial Flooring. Our installation class is designed to familiarize qualified vinyl flooring installers with the components of our flooring system, provide hands-on understanding, along with proper installation techniques. The class focus is on the installation of Eco-Grip Commercial Flooring and covers sub floor prep, proper adhesive use, welding, as well as approved installation, flooring layout, and seaming techniques. Please note that this is a "hands on" class; appropriate work clothing is recommended.

Attendees:

- o To have a minimum of four years' experience with commercial vinyl sheet flooring and welding techniques.
- o Pre-Pay the training fee (\$490.00) per person. Payment must be received with the completed installer form to secure a space for the training class.
- o In the event the training class is not held, a full refund will be provided.
- o No refund will be provided for failing to attend the scheduled training class
- o Must satisfactorily complete all instruction and techniques in class to obtain factory trained installer status.

Classes begin at 8:30 a.m. and end at 5:00 p.m. Please keep these hours in mind when making your travel arrangements. Departing the training facility prior to class conclusion may result in class failure. All required training tools and supplies will be provided by Eco-Grip.

NOTE: You will be fully responsible for these assigned tools and equipment during your training. However, installers are encouraged to bring any hand tools and knee pads they are accustomed to using.

Included in this packet is an Installation Experience Form and a Training Registration Request Form*. These forms must be filled out and submitted with the training fee. Once this information is received by our office, your training dates will be confirmed. NOTE: All openings are filled strictly on a first come, first serve basis.

The class fee includes installation training and materials, as well as hotel accommodations for up to two nights; lunch will also be provided during training. For further details call 800-767-5754.

Sincerely,

* It is at the sole discretion of Allied Industries International LLC to either accept or refuse any registration request received. *
