

## Safety Data Sheet (SDS)

### ADVANCE NG

Revision Date: June 15, 2016

#### 1. IDENTIFICATION

##### Product Identifier

Product Form: Article.  
Trade Name: ADVANCE NG.

##### Intended Use of the Product

Athletic Flooring.

##### Manufacturer/Supplier

Société Mondo America, inc., 2655 Francis-Hughes, Laval, QC H7L 3S8 Canada. CAN: 800-663-8138/USA: 800-361-3747

##### Emergency Telephone Numbers

Canada: CANUTEC 1-613-996-6666  
USA: CHEMTREC 1-800-424-9300

#### 2. HAZARDS IDENTIFICATION

##### Classification

Not classified. The product does not meet the criteria for classification.

##### Label Elements

No labeling requirements applicable.

##### Ingredient with Unknown Acute Toxicity

None known.

##### Other Hazards

None known.

#### 3. COMPOSITION/INFORMATION ON INGREDIENTS

##### Substances

Name	Description	Quantity	Classification (GHS)
ADVANCE NG	Athletic Rubber Flooring	100%	Not Classified

#### 4. FIRST AID MEASURES

##### Description of First Aid Measures

In Case of Inhalation: Supply fresh air and ventilate affected area.  
In Case of Skin Contact: Carefully wash area of contact with mild soap and water, thoroughly rinsing afterwards.  
In Case of Eye Contact: Cautiously rinse eyes with clean water; allow water to run for several minutes.  
In Case of Ingestion: Cautiously rinse mouth with clean water. Avoid inducing vomiting. Seek immediate medical attention.

##### Most Important Symptoms and Effects, Acute and Delayed

Inhalation: Product is not known to present an inhalation hazard under normal conditions of use.  
Skin Contact: Product is not known to irritate skin under normal conditions of use.  
Eye Contact: Product is not likely to have contact with eyes under normal conditions of use.  
Ingestion: Product is not likely to be ingested under normal conditions of use, but could be harmful if ingested.

##### Indication of Any Immediate Medical Attention and Special Treatment Needed

No additional information available.

#### 5. FIRE FIGHTING MEASURES

##### Suitable Extinguishing Media

Carbon dioxide (CO<sub>2</sub>) extinguisher, extinguishing powder, alcohol-resistant foam, water spray.

##### Unsuitable Extinguishing Media

None known.

##### Special Hazards Arising From the Article

Fire Hazard: Product is not listed as flammable. Product will burn at very high temperature; burning will likely produce smoke.

## Safety Data Sheet (SDS)

### ADVANCE NG

Revision Date: June 15, 2016

Explosive Properties: Product is not listed as explosive.

Reactive Properties: Product is not listed as reactive.

#### Advice for Firefighters

Protective clothing and respiratory equipment. Do not breathe in fumes: oxidizing carbon, hydrogen, nitrogen and sulfur.

## 6. ACCIDENTAL RELEASE MEASURES

#### Personal Precautions, Protective Equipment and Emergency Procedures

Respect protective equipment and emergency procedures required by emergency personnel. Do not allow individuals without proper protective equipment near any contaminated area.

#### Environmental Precautions

Prevent entry into sewers and watercourses.

#### Methods and Material for Containment and Cleaning Up

Contaminated products should be contained and disposed of in accordance with local and federal regulations.

## 7. HANDLING AND STORAGE

#### Precautions for Safe Handling

Handle product following standard industrial safety and hygiene practices.

Wash hands prior to handling product, wash hands after handling product, and wash hands prior to eating, drinking, smoking/vaping.

Always lift product with care: back supports, safety grip gloves and steel toe boots may be worn for safe handling of heavier products.

Product need not suffer damage during handling (i.e. dents/scratches, edge chipping, excessive warping, etc.).

#### Conditions for Safe Storage, Including Any Incompatibilities

Well ventilated, climate controlled storage is recommended. Storage temperature must not be below 55°F (13°C) and must not exceed 100°F (38°C).

Product must be protected from exposure to harmful weather conditions and must be safely stored on a clean, dry, flat surface. Store rolls of resilient flooring upright.

Avoid storing product for extended periods of time.

Do not store near deleterious chemicals, such as oxidizing agents or strong acids and alkalis that are capable of spilling over onto the product and causing damage.

## 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

#### Control Parameters

There are no exposure limits established. This product does not contain any relevant quantities of materials with critical values that have to be monitored.

#### Individual Protective Measures

Always follow local and federal regulations. Respiratory equipment not required when room is properly ventilated. Protective clothing and/or glasses to be prescribed as required. Protective clothing to be resistant to chemicals.

## 9. PHYSICAL AND CHEMICAL PROPERTIES

#### Information on Basic Physical and Chemical Properties

Product State: Solid.

Product Appearance: Sheets, in selected color(s), with a random marbleization pattern.

Odor: None and/or weak when newly installed.

Odor Threshold: Not available.

pH: Not applicable.

Freezing Point: Not applicable.

Melting Point: Not applicable.

Boiling Point: Not applicable.

Evaporation Rate: Not applicable.

Flash Point: Not applicable.

Auto-Ignition Temperature: Product is not auto-ignitable.

Danger of Explosion: Product is not an explosion hazard.

Decomposition Temperature: Not available.

## Safety Data Sheet (SDS)

### ADVANCE NG

Revision Date: June 15, 2016

Flammability (solid, gas): Not available.  
Lower Flammable Limit: Not available.  
Upper Flammable Limit: Not available.  
Vapor Pressure: Not applicable.  
Vapor Density: Not applicable.  
Relative Density: Not available.  
Specific Gravity: Not available.  
Solubility: Not soluble in water.  
Partition Coefficient (n-octanol/water): Not applicable.  
Viscosity: Not applicable.

## 10. STABILITY AND REACTIVITY

### Reactivity

Stable under normal conditions of use.

### Chemical Stability

Stable under normal conditions of use.

### Possibility of Hazardous Reactions

No hazardous reactions under normal conditions of use.

### Conditions to Avoid

None known.

### Incompatible Materials

Highly acidic/alkaline substances, oxidizers.

### Hazardous Decomposition Products

None known.

## 11. TOXICOLOGY INFORMATION

### Information on Toxicological Effects

Product not classified.

## 12. ECOLOGICAL INFORMATION

### Toxicity

No further relevant information available.

### Persistence and Degradability

Not available.

### Bioaccumulative Potential

Not available.

### Mobility in Soil

Not available.

### Other Adverse Effects

Not available.

## 13. DISPOSAL CONSIDERATIONS

### Waste Treatment Methods

Waste must be treated following local, state/provincial and federal regulations. Consult authorities prior to handling and disposal.  
Product packaging may be recycled where available.

## 14. TRANSPORT INFORMATION

### UN Number (ADR, AND, DOT, IATA, IMDG, TDG)

Not regulated for transport.

## Safety Data Sheet (SDS)

### ADVANCE NG

Revision Date: June 15, 2016

#### UN Proper Shipping Name (ADR, AND, DOT, IATA, IMDG, TDG)

Not regulated for transport.

#### Transport Hazard Class(es) (ADR, AND, DOT, IATA, IMDG, TDG)

Not regulated for transport.

#### Packaging Group (ADR, AND, DOT, IATA, IMDG, TDG)

Not regulated for transport.

#### Environmental Hazards

Not applicable.

#### Special Precautions

Not applicable.

## 15. REGULATORY INFORMATION

#### USA Federal Regulations

Product and its components not listed.

#### USA State Regulations

Product and its components not listed.

#### Canadian Federal Regulations

Product defined as "manufactured article" and is not subject to regulations and control under WHMIS.

## 16. OTHER INFORMATION

*The information herein is presented in good faith and believed to be accurate as of the Revision Date listed below. Information is supplied on the condition that the person(s) receiving and using it will make their own determination as to the suitability for their purpose prior to use. Manufacturer/Supplier makes no warranty of merchantability or any other warranty, expressed or implied, with respect to this information. The Manufacturer/Supplier makes no representation and assumes no liability for any direct, incidental or consequential damages resulting from its use. It is the buyer's responsibility to ensure that its activities comply with local, state/provincial, and federal laws.*

**Document Prepared by:** Société Mondo America, inc., in accordance with SDS requirements of the OSHA Hazard Communication Standard 29 CFR 1910.1200.

**Revision Date:** 06/15/16

Supersedes and replaces any previous version.
